Re: FOIA Request No. F-00236-18
Final Response

Dear Ms. Anthony:

The U. S. Agency for International Development (USAID) regrets the delay in responding to your Freedom of Information Act (FOIA) the request. Unfortunately, USAID is experiencing a backlog of FOIA requests. Please know that USAID management is very committed to providing responses to FOIA requests and remedying the FOIA backlog.

This is the final response to your August 29, 2018 FOIA request to USAID. You requested records on Stephen Miller's influence on immigration policy throughout executive branch agencies. Including:

- 1) All records reflecting communications (including emails, email attachments, voicemail transcripts, text messages, messages on messaging platforms (such as Slack, GChat or Google Hangouts, Lync, Skype, WhatsApp, Signal, or Twitter Direct Messages), telephone call logs, calendar invitations/entries, meeting notices, meeting agendas, informational material, talking points, any handwritten or electronic notes taken during any oral communications, summaries of any oral communications, or other materials) with or about Stephen Miller, including but not limited to communications containing the name "Stephen Miller" or email communications sent or forwarded to, received from, copying, or blind copying stephen.miller@who.eop.gov or s.miller@who.eop.gov.
- 2) All records reflecting communications (including emails, email attachments, voicemail transcripts, text messages, messages on messaging platforms (such as Slack, GChat or Google Hangouts, Lync, Skype, WhatsApp, Signal, or Twitter Direct Messages), telephone call logs, calendar invitations/entries, meeting notices,

meeting agendas, informational material, talking points, any handwritten or electronic notes taken during any oral communications, summaries of any oral communications, or other materials) with or referencing the phone number “(202) 881-8641.”

- 3) All call logs showing incoming or outgoing calls to or from the phone number “(202) 881-8641.”

In addition to the records requested above, you also requested records describing the processing of this request, including records sufficient to identify search terms used and locations and custodians searched and any tracking sheets used to track the processing of this request.

For your information, Congress excluded three (3) discrete categories of law enforcement and national security records from the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV (2010)). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all of our requesters and should not be construed as an indication that excluded records do, or do not, exist.

USAID conducted a comprehensive search of the Bureau for Legislative and Public Affairs (LPA), the Bureau for Management/Chief Information Officer/Information Assurance Division (M/CIO/IA), the Bureau for Management, Office of Management Services, Information and Records Division (M/MS/IRD), and the Office of the Executive Secretariat (ES) for documents responsive to your request. The search produced a total of 30 pages. Of those pages, we have determined that 29 pages of the records are releasable in their entirety, and one (1) page is partially releasable, pursuant to Title 5 U.S.C. § 552(b)(6).

FOIA Exemption 6 exempts from disclosure information about individuals in personnel or medical files and similar files the release of which would cause a clearly unwarranted invasion of personal privacy. This requires a balancing of the public’s right to disclosure against the individual’s right to privacy. The privacy interests of the individuals in the records you have requested outweigh any minimal public interest in disclosure of the information. Any private interest you may have in that information does not factor into the aforementioned balancing test. Within the records, we withheld signatures.

If you require any further assistance or would like to discuss any aspect of your request, you may contact Theresa Morris, the assigned FOIA Specialist by phone on (202) 712-0286 or at thmorris@usaid.gov. You may also contact USAID’s FOIA Public Liaison, Christopher Colbow, at foia@usaid.gov.

Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services offered:

Telephone: (202) 741-5770; toll free at 1-877-684-6448
Fax: (202) 741-5769

You have the right to appeal this final response. Your appeal must be received by USAID no later than 90 days from the date of this letter. In order for it to be considered an official appeal, please address and send directly to the FOIA Appeal Officer:

Director, Office of Management Services
U.S. Agency for International Development

If you wish to fax your appeal, the fax number is (202) 216-3369. Both the appeal and envelope should be marked "**FOIA APPEAL**." Please include your tracking number F-00236-18 in your letter.

There is no charge for this FOIA request. As this concludes the processing of your request, it will be closed.

Thank you for your interest in USAID and continued patience.

Sincerely,

Good afternoon,

A search in ACTS did not yield any responsive records. I would recommend your team contact M/CIO for any phone or email correspondence, if you haven't already, as ES does not maintain those types of records.

Thank you,
Jen Hurley

Good morning Alecia,

Is this a "NR" in response to item #4 of FOIA request F-00236-18?

AID-18-0483-A-000006

4. Requests records describing the processing of this request, including records sufficient to identify search terms used and locations and custodians searched and any tracking sheets used to track the processing of this request. (Date Range for Record Search: From 11/9/2016 To 8/29/2018)

A CISO search was conducted, resulting in a "NR".

No - That part is not a "NR." It should have been addressed during intake. At that time, the records requested in this portion of the request did not exist. As you're aware, Agency's are only responsible for records in their possession and control at the time of the request.

Nevertheless, this did not occur. Therefore, please do the following -

- 1) collect and provide the 507-2 forms and the responses;
- 2) the CISO memo; and
- 3) the CISO response of no records.

Ms. Anthony,

Thank you for taking time to chat with me about your attached FOIA request. During our discussion, I conveyed the challenges with doing a blanket search of all USAID accounts that mention "Stephen Miller" from November 9, 2016 until today. I proposed conducting a search of any emails received by USAID employees from the accounts provided in your request:

1. "stephen.miller@who.eop.gov"
2. "s.miller@who.eop.gov"

Additionally, we will search for any emails that reference Mr. Miller's phone number (as provided in your request) (202-881-8641).

Please let me know if this accurately reflects our conversation or if any further modifications are required. Thank you for your patience and I look forward to hearing back from you.
